Photography Fee

Base fee: ¥25,000 per day (up to 2 hours). Extensions are available at ¥12,500 per additional hour (up to 6 hours in total). Any transportation, parking, or venue fees incurred in getting to and using the shoot location are to be covered by the client at cost.

Rescheduling

In the event of bad weather, we will discuss and arrange a new date together. Rescheduling at the client's request is free of charge once.

Cancellation

For cancellations at the client's request, the following fees apply to the photography fee: free of charge up to 7 days before the shoot, 50% from 6 days before to the day before, and 100% on the day of the shoot.

Selection

In addition to around 10 photographs carefully selected by us, you will be able to view all candidate photos (in lightweight versions) via a shared cloud folder. From these, please choose around 10 of your favorites. The final number of images will be decided together, based on how the shoot turns out.

Finishing

Each selected photograph is individually color-graded and finished. We take great care with the quality of every single image.

Prints

Three of the selected images will be printed (we will suggest which ones after the selection). They are printed on fine, uncoated recycled paper with a soft texture. Please enjoy the quiet character that only paper can offer. So that you can share them with family and relatives, 10 copies of each image are provided. Additional prints are available at ¥5,000 per image (10 copies). If you would like an album made, please feel free to ask.

Delivery

The finished image files will be shared via the cloud, and the prints will be sent by post (approximately 3 weeks after selection).

Payment

Please make payment by bank transfer within 2 weeks of receiving the prints.

Copyright

Copyright of the photographs remains with us. You are welcome to use them freely for personal purposes, such as posting on social media or sharing with relatives.

Portfolio Use

Some of the photographs may be featured on our website or social media. We will always consult with you beforehand.
